<<< OPEN CALL Modelling Values Based Impact Interventions

Based on our [Seratio Blockchain 2.0 whitepaper](#) we can forecast the what, where, how, when, whom and the degree of success of your impact strategies into multi-community areas

<<< OPEN CALL Let's work together in 2017

In Q1 2017 we are launching:

- Blockchain Lab supported by University of Northampton
- Solutions working with NCC Modern Slavery Advisory Board

we are world leaders in the capturing of value
digitally, turning sentiment into financial value, and
now with blockchain we can transact value
